Dear Martin Warrior Families,

On behalf of Martin PTSA, we extend our sincere appreciation to all the families who have joined PTSA! Your membership makes a BIG difference in the life of our school! We are still working toward our goal of 1,000 members, so please sign up today if you haven't already.

A BIG thank you to Hilda de Jesu who did a fabulous job with this year's Back-to-school Teacher Luncheon! She made over 300 teachers, staff & administrators feel special by serving them a catered meal and providing a huge array of school shirts. Thanks also to all the clubs who donated!

Thank you to Connie Vandervort & Joy Blaha who organized First Event this year! It was very well attended with lots of new Martin clubs joining us. We hope it was a successful fundraising night for all our booster clubs and school organizations!

Many thanks to Teresa Manard who put together our BBQ Open House Scholarship Dinner! We are again tremendously grateful to Spring Creek Barbeque who once again donated the entire meal. This allows PTSA to use 100% of all money collected for college scholarships! Next time you go there to eat, please let them know how much we appreciate their support of Martin High School.

Cara Hackley & Jenny Reine and the Bahama Bash board, kicked off the year for Senior families with a fun-filled, motivating night. If you have a senior, please refer to the Bahama Bash information, sign-up and don't miss out on this once in a lifetime experience for your kid (and you!)

We are so blessed that our kiddos attend the BEST high school in Arlington! I am looking forward to another amazing year!

Go Warriors!!

SENIORS, SENIORS, SENIORS!!

If you haven't already started thinking about what you're doing after high school, the time is NOW! ☺

The following is a checklist to help you organize your senior year:

ACTION PLAN: HIGH SCHOOL SENIORS

FALL

Pulling Your Applications Together

- Narrow your list of colleges to between 5 and 10. Get an application and financial aid info. From each. Visit as many as possible.
- Make a master schedule and note: test dates, fees, and deadlines; college application due dates; required financial aid applications and their deadlines; recommendations, transcripts, and other necessary materials.
- Ask for recommendations. Fill out a BRAG SHEET or resume, and provide to each person, along with a stamped, addressed envelope.
- Write application essays and ask teachers, parents, and friends to read first drafts.

Applying Early Action or Early Decision?

For early admissions, colleges may require test scores and applications in early NOVEMBER. Send your SAT scores at collegeboard.com

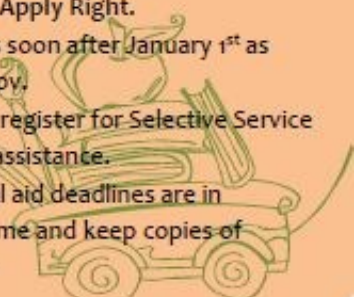

WINTER

Application Details

- Most regular applications are due between January 1 and February 15. Keep copies of everything you send to colleges.
- Order official transcripts from Mrs. Broker in the counseling office for \$3.00 per copy.
- Contact colleges to make sure they've received all application materials.

FINANCIAL AID: Apply Early. Apply Right.

- Submit your FAFSA as soon after January 1st as possible at fafsa.ed.gov.
- Men 18 or older must register for Selective Service before receiving any assistance.
- Many priority financial aid deadlines are in February. Apply on time and keep copies of everything you send.

COMING UP...

Senior Individual Guidance: Counselors will be meeting individually with each senior to discuss graduation requirements and post-secondary plans, including financial aid, SAT/ACT, college applications, etc. In the meantime, keep yourself informed by noting upcoming testing dates, and application/scholarship deadlines.

Sundancers

Precision Dance Team

5, 6, 7, 8... Let's dance! The 2015-2016 Sundancers are preparing to perform at the pep rallies to cheer on the Martin Warriors and perform their half-time shows to entertain the Martin Warrior fans.

Capt. Mireya, officers & Mrs. Gaither

4th of July Parade

1st Lt. - Danyale & Squad

Jr. Lt. - Hannah & Squad

Jr. Lt. - Madie R & Squad

Jr. Lt. - Maddie S & Squad

The Sundancers participated in the Raising the Barre Summer Dance Camp with twelve other dance teams throughout the DFW area. At the annual summer dance camp the participants learned: Hip Hop, Kick, Jazz, Pom, and streamer routines.

They were delighted to listen and learn from an outstanding speaker on life skills: honesty, integrity, punctuality, leadership, organization, and character that will guide them throughout the school year and life.

Currently, the Sundancers are arduously practicing their routines and are ready to hit the books running because they are all about academics and dancing! Go Sundancers!

The Sundancers want to give Mrs. Gaither a BIG shout out for hosting the RTB dance summer camp and the awesome Sundancers Booster Club members who volunteered LONG hours at the dance camp and Globe Life Park. Thank you parents. We appreciate you tremendously!

Remember, stop and shop at the Sundancers booth at the baseball craft fair on October 17th and 18th.

Student Trip - Ireland, Scotland, Wales, and London

Dear Student & Parent(s),

I am excited to announce that I am taking students abroad during the 2016 summer vacation. Students will explore Ireland, Scotland, Wales, and London. We will be leaving within the first few weeks of June 2016 on an EF Educational Tour.

*****NOTE***** We will be conducting meetings throughout the school year to keep EVERYONE informed, as well as answering important questions.

The Ireland, Scotland, Wales, and London trip is more than an exciting adventure. This trip will set your child's college application apart from the thousands submitted to the college admission boards review every year. Traveling now prepares students for the realities of a global economy by allowing them to understand all of the opportunities that are possible after graduation. I want your child to have all the same advantages that over a hundred thousand other children gain every year by traveling abroad on educational tours.

I have chosen to travel with EF because they are the only student travel agency that can offer over 40 years of experience, scholastic accreditation and the security of having offices throughout the world. Because of their long standing presence, EF guarantees the lowest prices for their trips without sacrificing quality. The cost of this trip includes round-trip airfare, hotel accommodations, a full-time EF Tour Director, daily breakfast and dinner, entrance fees to planned attractions and guided sightseeing.

IMPORTANT: Tour Number: 1713662PA. Tour Website: <http://www.eftours.com/1713662PA> . If you decide that this is an amazing opportunity for your child and that you can't pass it up, you may ENROLL Tonight! TRADITION

MARTIN THEATRE PRESENTS

The Martin High School Theatre Department is doing something different! This year, two fall productions will merge together and show back to back for a laughter filled week celebrating the playwriting prowess of Neil Simon. THE ODD COUPLE and THE ODD COUPLE (FEMALE VERSION) are two separate plays. Right now, they are being rehearsed with two separate casts who take turns using the Little Theatre stage as they prepare for performances in November.

THE ODD COUPLE first opened on Broadway in 1965 and swept the Tony awards in acting, directing, and set design. Playwright Neil Simon won the Tony award for best playwright, leading to an Oscar for best screenplay when he adapted the popular play into a movie in 1968. He also won an Emmy award when the hit TV series was added to the list of successes in 1970. The script was so popular that in 1985, after popular demand, Simon adapted the all male script of best friend poker players into a circle of women, who had known each other since high school, convening for Trivial Pursuit.

THE ODD COUPLE is so frequently produced by high schools, colleges, and professional theatres that it's considered to be a comedic American classic. The characters lead to great study for sixteen Martin Theatre students under the direction of both Larry Cure for the female version and Sharon Miller for the original script. Students will design and construct a versatile set which can be shared by both productions.

Tickets will go on sale the first week in November in the Little Theatre lobby and in Rm 260A. Audiences are encouraged to see the department's finest talent by attending both productions. Tickets are \$10 each. THE ODD COUPLE opens Thursday, November 12 at 7p.m. Additional performances are Friday the 13th, twice on Saturday the 14th, Monday the 16th, and Tuesday the 17th. Check the Martin Theatre website for additional information. <http://www.aisd.net/martin/theater/>
